(2) Reimbursement as Full Payment. Each provider must, as a condition of acceptance of payment by a purchasing agency for services provided to a client, accept the payment rates established by 101 CMR 445.00 as full payment and discharge of all obligations for the services provided. The provider may not seek additional or supplemental payment from clients or other third parties for services for which rates are established by 101 CMR 445.00.
