💡 Did you know?

Adult Foster Care (AFC) is a MassHealth funded program that helps adults with disabilities and seniors who need assistance with daily living remain safely in a home setting with a qualified live-in caregiver. The program supports people with medical or cognitive conditions by **providing help with personal care tasks, active supervision, and essential routines** such as bathing, dressing, mobility and eating.

Over 25,000 people in Massachusetts are supported in AFC. Protecting Medicaid Protects this Program.
