ADDP extends its sincere appreciation to the Massachusetts Legislature for its leadership and commitment in **advancing the FY27 state budget**. We are grateful to legislative leadership, members of the House and Senate, and everyone who worked throughout the budget process to support individuals with intellectual and developmental disabilities, autism, and brain injury.

The budget includes **critical investments in Department of Developmental Services (DDS) programs and \$175 million for the Chapter 257 Rate Reserve**, helping sustain community-based supports, strengthen the workforce, and ensure individuals can live, work, and thrive in their communities.
