Among ADDP's top FY27 budget priorities are fully funding Chapter 257 rates and preserving the Adult Foster Care (AFC) program. These investments are essential to maintaining supports for adults with intellectual and developmental disabilities across Massachusetts. While we've shared workforce data and funding realities, these stories say it better than we ever could. **The powerful videos on [ADDP's Chapter 257 Advocacy Page](#)** demonstrate why sustainable funding matters and why protecting programs funded through Chapter 257 and programs funded through MassHealth like AFC is critical for individuals, families and providers. **We encourage legislators to hear these stories firsthand.**
