Dear ANCOR members and State Association Executives:

We have heard from our coalition partners that the Administration will begin sending out COVID-19 economic impact payments in the next three weeks. While this will be automatic for those who file tax returns, **people who do not typically file tax returns will need to submit a simple tax return to receive the stimulus payment.** The Internal Revenue Service (IRS) has prepared a webpage with more information. Here is the [IRS' guidance specific to the stimulus payment](#) and here is the [IRS' COVID page](#).

Please feel free to share this information with your networks and the individuals you support, but remember to **not** forward this ACC message directly, as it will give people direct access to your ANCOR account and identity.

Sincerely,

-----
