We Thank You!

ADDP thanks the House, with special thanks to Speaker Mariano and Chair Michlewitz, for supporting our FY'25 budget priorities.

We now turn our attention to the Senate and request that under the leadership of Senate President Spilka and Chair Rodrigues, the Senate will:

1 Maintain the Governor's funding for Chapter 257 services. (Line-item 1599-6903)

2 Maintain all line items for service provision to persons with intellectual and developmental disabilities and brain injuries in the Governor's budget.

Get these facts and more at addp.org.

Let's get social.

Find us @MassADDP on Facebook and LinkedIn
